"Thank You" is not enough for all You've given me. There are no words that could describe the mercy I've received. Your love is overwhelming, I will never understand, a life redeemed--etched in grace, through scars upon Your hands. "Thank You" is not enough, the words are much too small; no song of praise, no grateful word, could ever say it all. Still all I have to offer is these words of praise to You, "Thank You Lord", for Who You are and everything You do.
